INCLUDED WITH EVERY PLAN

1 Year Free Support — What It Covers

Every LEVYNOX website comes with a full year of free post-launch support — no hidden charges, no surprise invoices.

Content Updates

Change any text — prices, hours, descriptions, staff names, addresses, announcements.

Image Replacements

New product photos, team headshots, or updated banners — we swap images anytime.

Add New Information

New service, team member, or branch — we add new info sections and keep your site accurate.

Bug Fixes

If anything breaks or looks wrong on any device, we fix it same or next business day.

Performance Checks

We periodically check your site loading speed and fix any slowdowns.

Priority Communication (Premium)

Premium clients get WhatsApp & email priority response within 1 hour during business hours.

OUR PROCESS

How We Work — 5 Simple Steps

01

Discovery Call

We learn about your business, goals, and audience. Free 30-min call.

02

Proposal & Plan

You receive a clear proposal with scope, timeline, and pricing — no surprises.

03

Design & Build

We design and develop your site with regular check-ins throughout.

04

Review & Revise

You review the live preview. We incorporate your feedback in revision rounds.

05

Launch & Handover

We launch your site and hand over all assets, credentials, and documentation.
